I've Come To Listen

I've come to listen
Even when it's hard

I've still come to listen

...

Even when I forget
and fill the listening
with my own words
I've still come to listen

Even when I'm unsure of the silence
I've still come to listen

...

To listen carefully
so my feet can mind the earth
And my heart can hear those hushed voices
that bring me back to here
So I can hear past my own thoughts
to distinguish you from me

Enough of my words

I've come to listen

...
