## Playing Hide-&-Seek With The Past

Today those old memories  
found me again  
tracking me down  
and reminding me of  
the long buried past

I indulged in a few  
of my favourite distractions  
All the while knowing  
they could not save me

I got lost  
playing hide and seek  
with the past

And finally I had to admit  
that I am still afraid  
of those old cold ghosts

They can still reach through  
from the past  
and catch me
